

## PAWS e-TRACK

### "How do I know that I'm getting my own pet back?"

This is a common question, and rest assured that your pet is tracked throughout the entire aftercare process.

Agape Pet Services uses a proprietary tracking system called **Paws e-Track™**, which tracks your loved one through the aftercare journey. Your pet is assigned a unique identification number that is electronically scanned at multiple points through the aftercare process, from your veterinarian's office and throughout our facility.

## OUR SERVICES

Agape Pet Services offers pet parents a sense of comfort and peace of mind, ensuring your pet's aftercare will be handled in a way that is respectful, dignified & compassionate. **At every step along the way, we promise to care for your beloved pet as if they were our own.**

**PRIVATE CREMATION:** This begins with the gentle pick up of your loved one from your veterinary clinic. Once in the care of Agape, your pet is placed into a private cremation chamber. When the cremation process is complete, we ensure that you receive only the cremated remains of your loved one in your choice of urn. You may also choose from a variety of additional memorial products.

**COMMUNAL CREMATION:** This begins with the gentle pick up of your loved one from your veterinary clinic. Once in the care of Agape, your pet is cremated in a group setting with other pets. The cremated remains are not returned to you. A selection of memorial products such as paw prints, fur clippings, and other keepsake memorial items are available with this option.

**PRIVATE CREMATION WITH VIEWING:** For pet parents who prefer to say goodbye to their cherished pet in a private setting with family and close friends, we offer by appointment, a Private Cremation with Viewing. A time to gather together to remember and celebrate a faithful companion and share a meaningful good-bye. Whether you choose a quiet reflective memorial or joyful tribute with arrangements in a warm and supportive environment. Please note that our Private Cremation with Viewing service is subject to additional fees. Please contact your local Agape Pet Services facility to schedule this dignified service.

**EQUINE SERVICES:** Equine services are also available. Ask us or your veterinarian for more information.
