CREMATION SERVICES

— INDIVIDUAL

When choosing an Individual Cremation, your beloved pet will be cremated separately ensuring only their cremains will be returned to you. All Individual Cremations include a complimentary wooden urn along with a brass engraved nameplate.

— GROUP

With a Group Cremation your pet will be cremated along with other pets. Together their cremains will be scattered in the beautifully wooded area on our privately owned property. Because no cremains will be returned, you may want to consider a unique paw print of your pet as a timeless memory.
